PAYAP UNIVERSITY

Curriculum Vitae

Name: Thatphong Awirothananon, PhD
Postal Address: Faculty of Business Administration
Maejo University
San Sai, Chiang Mai 50290
Thailand
E-mail: thatphong@mju.ac.th; thatphong@hotmail.com
Tel: +66 (0) 5387 3280 **Fax:** +66 (0) 5349 1851

Education and Qualifications:

2009 Doctor of Philosophy Griffith University, Queensland, Australia
2003 Master of Business Administration Payap University, Chiang Mai, Thailand
(concentration in Finance)
1999 Bachelor of Science (Computer Science) Payap University, Chiang Mai, Thailand

Work Experience

Nov 2010 to Present Lecturer
Faculty of Business Administration
Maejo University, Chiang Mai, Thailand
May to Oct 2010 Lecturer
Department of Business Administration
Faculty of Business Administration
Payap University, Chiang Mai, Thailand
Jul 2007 to Dec 2009 Research assistant
Department of Accounting, Finance & Economics
Griffith Business School
Griffith University, Queensland, Australia
Mar 1999 to Nov 2003 System administrator
Sirithape Computer School, Chiang Mai, Thailand
Jul to Sep 2002 Visiting lecturer
Department of Applied Statistics
Faculty of Science and Technology
Rajabhat Institute Chiang Mai, Chiang Mai, Thailand
Apr to Sep 2000 Visiting lecturer
University Academic Service Centre (UNISERV)
Chiang Mai University, Chiang Mai, Thailand

Mar to Dec 1999

Visiting lecturer

University Academic Service Centre (UNISERV)

Chiang Mai University, Chiang Mai, Thailand

Publications

- 2011, 'Regime switching and interest rate pass-through: A case study of Thailand', paper presented to Payap University Research Symposium 2011, Payap University and the Upper Northern Research Administration Network, Chiang Mai.
- 2011, 'Money market interest and bank return in the Southeast Asia region: A comparison study', in K. Polyorat & K. Piewthongngam (eds), *The 4th National Conference on Business and Economy*, Khon Kaen University, Khon Kaen.
- 2009, 'Information criterion and joint determination of the numbers of regimes and variables in Markov switching model: Simulation and empirical application', PhD dissertation, Griffith University.
- 2009, 'Money market interest rate and bank shares: A case study of Australia', in K. Benson & D. Ding (eds), *The AsianFA 2009 International Conference: New Knowledge for Finance*, The University of Queensland, Brisbane.
- 2009, 'On joint determination of the number of states and the number of variables in Markov-switching models: A Monte Carlo study', *Communications in Statistics: Simulation and Computation*, vol. 38, no. 8, pp. 1757-1788. (with W. K. Cheung)
- 2008, 'Money market interest rate and bank shares: A case study of Malaysia', in R. Mail & A. Shuib (eds), *The 3rd Annual International Borneo Business Conference: Global Changes - Corporate Responsibility*, Universiti Malaysia Sabah, Kota Kinabalu.
- 2008, 'Money market interest rate, monetary policy, and bank shares: A case study of Thailand', in S. Chemsripong (ed.), *The 1st International Conference in Business and Management and Information Science*, Narcsuan University, Phitsanulok. (with W. K. Cheung)
- 2008, 'The relationship between money market interest rate and bank shares in Hong Kong: A Markov switching regime approach', in J. Nakano (ed.), *The 4th World Conference of the International Association for Statistical Computing and 6th Conference of the Asian Regional Section of the IASC on Computational Statistics and Data Analysis*, The Institute of Statistical Mathematics, Tokyo. (with W. K. Cheung)
- 2006, 'Monetary transmission mechanism: A case study of Thailand', in M. Young & L. Rose (eds), *The 17th Annual AsianFA/FMA Conference: Bridging Finance Theory and Practice*, Massey University, Auckland. (with W. K. Cheung)
- 2005, 'A study of the relationship between short-term interest rates in the Thai money market', RHD qualifying dissertation, Griffith University.
- 2001, 'Satisfaction of officers towards McCormick hospital's information system', Master independent study, Payap University. (in Thai language)
- 1999, 'AUA Chiang Mai registration system', Computer project, Payap University.
- 1999, 'Satisfaction of students towards school's Internet system', Statistics seminar, Payap University. (in Thai language)
