ACKNOWLEDGEMENTS

This thesis could not be accomplished without the help, support, and encouragement of many people who are gratefully acknowledged here.

I am honored to express my deepest gratitude to my supervisor, Dr. Pearl Wattanakul. Through the course of the TESOL program and the thesis, she has offered me valuable suggestions with her research experience. Without her understanding, encouraging, and guidance, this research would not be possible.

I am always grateful to Dr. Jonathan Leather and all the other teachers in the TESOL program at Payay University, for their help, during my study in this program.

I would also like to express my special thanks to Tom who evaluated my lesson plans for thesis.

I also show my thanks to all my friends in Thailand. Their friendship, encouragement helped me go through the difficult times in my life.

Last, I want to express my heartfelt love to my understanding, and supportive husband and my lovely son. Their encouragements have given me strength to confront all challenges and difficulties.
