Acknowledgements

I would like to take this opportunity to thank all those who have helped me made it possible for this paper to be completed. I am greatly indebted to Miss Duangchai Khaniyoo, who is responsible for all the Thai script that appears in this paper. I would also like to thank A. Oyporn Chingchayanurak, A. Peter Constable, A. Rungrong Kesakit and Mrs. Kawal Chawla for their patience in reading and correcting the manuscript and also for their helpful suggestions. I would also like to thank Miss Rujirat Chaisang for her moral support. I would like to express my heartiest gratitude and appreciation to A. Fran Woods, without whose patience, help, suggestions and guidance this paper would not have been completed.
