## ACKNOWLEDGMENTS

Working on this thesis has often been exciting, sometimes challenging, and most of the time an enjoyable experience. It has been made possible by many other people, who have supported me.

At the end of my thesis I would like to thank all those people who made this thesis possible and an enjoyable experience for me.

First of all I wish to express my sincere gratitude to my thesis adviser Dr. Jonathan Leather, who guided this work and helped whenever I was in need.

My special thanks go to the Dr. Graeme Ritchie for his advice during this study.

I am also grateful to the Dr. G. Lamar Robert for his help with statistics, and Dr. Chongchit Siripun Robert, Ms. Waeodao Autid for translation of questionnaire.

I am thankful to Dr. Mark Hensman and Alexander Lapidus for their assistance in editing my thesis.

I would like to thank Dr. Joy M. Reid who permitted me to use her questionnaires and gave me some advice during my thesis.

I would like to express my gratitude to the staff and students at the Wichai Wittaya Bilingual School who cooperated in helping me do the research.

Finally, I would like to express my deepest gratitude for the constant support, understanding, and advice that I received during my study and thesis from my husband Sevket Simsek during the past years.
