ACKNOWLEDGEMENTS

This research could not be completed without the help of the following people. Thus, I would like to take this opportunity to express my gratitude to all of them who assisted me in doing this research. My appreciation is expressed first of all to Dr. Graeme, my advisor, for his invaluable suggestions, discussions, encouragements, and patience throughout this study. My thanks are also for Dr. Jengit Gasigijtamrong and Dr. Jonathan Leather for their outstanding guidance.

In addition, my special thanks go to Li Sihong, who brought me the coursebooks from China. My appreciation goes to all my friends in the TEFL program and Linguistics program for their help and encouragements for me. Moreover, I would like to thank my parents whose love encouraged me to finish this study.

Finally, I would like to give my thanks to He who gave me strength and wisdom to finish this study.
