ACKNOWLEDGEMENTS

The author wishes to thank Ajarn Larin Adams for his helpful comments during the analysis of the Khmu narratives and his hard work especially at the stage of completing this thesis.

Thanks to Ajarn Kirk Person for his willingness to be on the committee even though he has been out of town for several years.

Thanks to Ajarn Terry Gibbs and Htaw Htoo for their patient help in dealing with formatting issues.

Last but not least, thanks to my wife Annie, who has been taking care of the newborn baby Chrissie Christin, hence giving me space for completing the thesis.
