ACKNOWLEDGEMENTS

In completion of this thesis has been a long journey and I could not have reached the finish line or lost along the way without much help and valuable support from God, my teachers, family and friends in pursuing of my graduate studies.

I am deeply grateful to my thesis supervisor, Dr. Pearl Wattanakul, for her excellent supervision and support. Thank you so much for calling me and searching for me when I was struggling. You really helped me to get back on the path that I should be walking.

I also would like to say thank you to Dr. Graeme Y. Ritchie for his wisdom and suggestions on how to make this study better, and filling all the gaps that I missed.

Special thanks to Ajarn Chonladda Sudchareon for all of your support, assistant and understanding, Allison, for your friendship and support in all the way that you can, and Yam for helping me with recording.

To my husband, thank you for your love and support. Thank you for always being beside me. To my beautiful daughter 'Emma', your smile is always the best encouragement to me. Also, to my family, who has always encouraged and been there for me whenever I needed.

Above all else, I would like to say thank you to Him, the only faithful God who provides all the wisdom, life, and everything that I need.
